BOOK-KEEPER ABSCONDS FROM
YOKOHAMA.

During the last two or three days rumors have been current in Yokohama of the arrest at Southampton, England, of Mr. W. Church, for several years book-keeper in the employ of Messrs. Alfred Herbert, Ltd., who has been missing for Yokohama for several weeks, says the "Japan Gazette." Being unable to verify the news, we refrained from publishing it, and on Tuesday, on applying to the local offices of Alfred Herbert, for verification, we were informed that the firm were unable to confirm the report. From information since reaching us, we have reason to believe the report of Mr. Church's arrest in England to be correct, though the news reaching Japan does not make it clear that it took place at Southampton.

About a month ago Mr. Church secured a week's leave from his firm, but never returned. Inquiries were made, and he was traced to Kobe, but beyond that nothing was known of his movements. Investigations of the firm's accounts were made, and serious defalcations were discovered. Some reports place the amount at Yen 20,000, but it is believed that this is a conservative statement. When the defalcations were discovered, it was suspected that Mr. Church had escaped by way of the Siberian route, and the report of his arrest at this early date confirms these suspicions.

Mr. Church, who is about seventy years of age, has long been a resident in Japan, being for some years in Kobe before coming to Yokohama about six years ago.

TWIN CAREERS.

Two twin brothers, Dr. Karl Toth and Dr. Ludwig Toth, who attended the same university and graduated on the same day, were elected on the same day to the chairs of law and medicine at the University of Klausenburg, Hungary.

PRIZE COMPETITION No. 6. (Aug)

This month we are again offering prizes for 'Couplets', or two lined rhymes. Each 'Couplet' must contain one or other of the following names:—
PETER, NESTLE or KOHLER.
The name selected may be placed anywhere in the 'Couplet', as long as the rhythm is preserved.

For your guidance we give you a few examples:—
NESTLE'S is the best;
Put it to the test.

Prince of Chocolates is PETER'S,
Which commands a host of eaters.

The Bonbons that you ought to buy
Are KOHLER'S, get a tin and try.

CONDITIONS:

Every three 'Couplets' to be accompanied by a Peter's, Nestle's or Kohler's Wrapper. So for one wrapper you may send more than one 'Couplet'. 'Couplets' may be sent in under a 'non des plume', which, if a winner will be published in the Local Papers. Your name will be treated confidentially by us. The first prize will be one of our Wrist Watches, and will be given for what we consider the best Couplet. Consolation prizes consisting of Chocolate will be given for 'Couplets' which we consider are deserving of such. Imitation being the sincerest form of flattery, we reserve the right to make future use of the verses without disclosing the authors' names. Post your attempts to Messrs Peter's & Nestle's P. O. Box No. 351, Hongkong, not later than 30th August, 1913.

WHO'S WHO IN JAPAN

EDITED AND PUBLISHED BY S. KUNITA.

The first 1913 edition already issued.
Biographies of over 5,000 people
who are well-known in society and of
several hundred foreigners associated with
Japan appear in the book. Quite new
materials and accurate sketches, both being
utterly free from prejudice.
Many portraits are inserted. The book
contains over 1,400 pages.

The price is yen 6 (12/-) or \$3 per copy.
Orders for the book should be accompanied
by payment.
Subscribers for the second annual edition
of 'Who's Who in Japan' will be allowed
a reduction of one yen.

The registered postage is 18 sen, to Korea
and China 40 sen and to Europe & America
70 sen or 35 cents.

It is a Good Advertising Medium.
Many influential papers of the world
noticed this work in the highest terms.

For example, 'The Daily Mail' says:
'Yet another "Who's Who" and this
time from Japan! The reader is apt at
first to regard it as a curiosity, as a sign
that the East has now become Western
practically almost to the last detail. But
'Who's Who in Japan' is far more than
a curiosity; it is a very sound and useful
reference book. It is printed in English
and contains brief biographies, on the
accepted model of prominent men in Japan.
Mr Kunita is a skilful editor and has done
his work well.'
